Children attended our Summer HAFs.

129

Over 129 hours of fun!

103

SEND children attended our programmes.

Summer HAF Quotes

My children have had a fantastic time at the Summer HAF Programme. The activities on offer varied each day along with the lunches. This has supported me and my husband over the 6 week break.

Julie

The programmes in Whitchurch have supported over 50 local children. As a town, we have been missing out on these funded activities. This has made a real difference to our town.

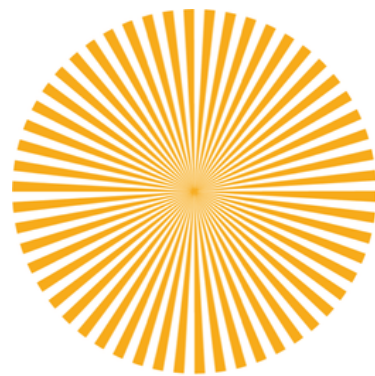

Martin
