# ANNUAL REPORT

**2022/2023**

# FOUNDATION INFORMATION

The 4 All Foundation began operating as a community organisation in 2022 and registered with the Charity Commission, as a Charitable Incorporated Organisation (CIO), in June 2023 (Registered Charity number 1203479). The 4 All Foundation was founded by the Marches Academy Trust (MMAT), with the aim of supporting those living in the communities where the Trust schools are located.

The 4 All Foundation carries out its charitable purposes supporting children, young people, adults, and older residents in Shropshire and the surrounding counties, to reach their full potential.

The Foundation responds to the needs of those in the community by working in partnership with local town councils (Shropshire Council and Telford and Wrekin Council), other charities, and education providers, and by communicating directly with the local community.

The work of the charity is delivered through local community hubs, in partnership with local councils and through outreach work within the community, in high need areas.

# FOUNDATION VALUES

## AMBITION

This drives our people to new heights. The desire to achieve our goals and willingness to stay committed to our communities no matter what.

## EMPATHY

We are an empathy-driven culture, helping us understand each other better and work more cohesively to deliver better results for the communities we support.

## COLLABORATION

We actively encourage and engage in collaborative and partnership working. We are 'better together'

## INCLUSIVITY

Everyone associated with 4 All Foundation should feel valued, welcomed, respected, included, represented, heard and that they fully belong, can be authentic, can contribute to the collective, and have a voice.

## CREATIVITY

We are innovative, imaginative, original and inventive in our offer to and engagement with our communities, ensuring we meet their needs.

# GOVERNANCE

The 4 All Foundation is governed by a constitution dated 21<sup>st</sup> April 2023. The charity is led by a board of seven trustees. Three members of the board are connected to MMAT.

The objects of the charity are:

- To advance the education of those living in Shropshire and the surrounding counties through the provision of workshops and courses to develop their skills, enable them to achieve qualifications and create employability opportunities.
- To promote and protect the health and wellbeing of those living in Shropshire and the surrounding counties through the provision of, but not limited to, health education workshops and resources and support groups.
- To support those in need, by reason of youth, age, ill-health, disability, financial or other disadvantage living in Shropshire and the surrounding counties by providing safe spaces, delivering specialist programmes and equipment and through family support networks.
- To relieve poverty amongst those living in Shropshire and the surrounding counties, and their dependents, through the provision of items, payment for services, the provision of facilities and through the delivery of educational programmes.

# THE ZONE COMMUNITY HUB

In March 2022, the 4 All Foundation started supporting The Zone Community Project in Market Drayton. This is a lottery funded programme run at The Zone Community Hub and the primary aim was to increase the activity programmes being offered. Some of the activities include a youth club, sports events, coffee mornings, adult workshops along with many more in order to engage people in the area. They offer a provision for everyone in the community from zero to one hundred.

Over the past 12 months, The Zone Community Hub has seen a new Community Café open its doors (sponsored by Compleat Food Group) which supports residents with low-cost meals and drinks. This community asset has created volunteering opportunities for local people and also helps fund additional programmes in Market Drayton.

On a day to day basis, The Zone Community Hub is running a varied activity timetable and supports over 80 residents each week.

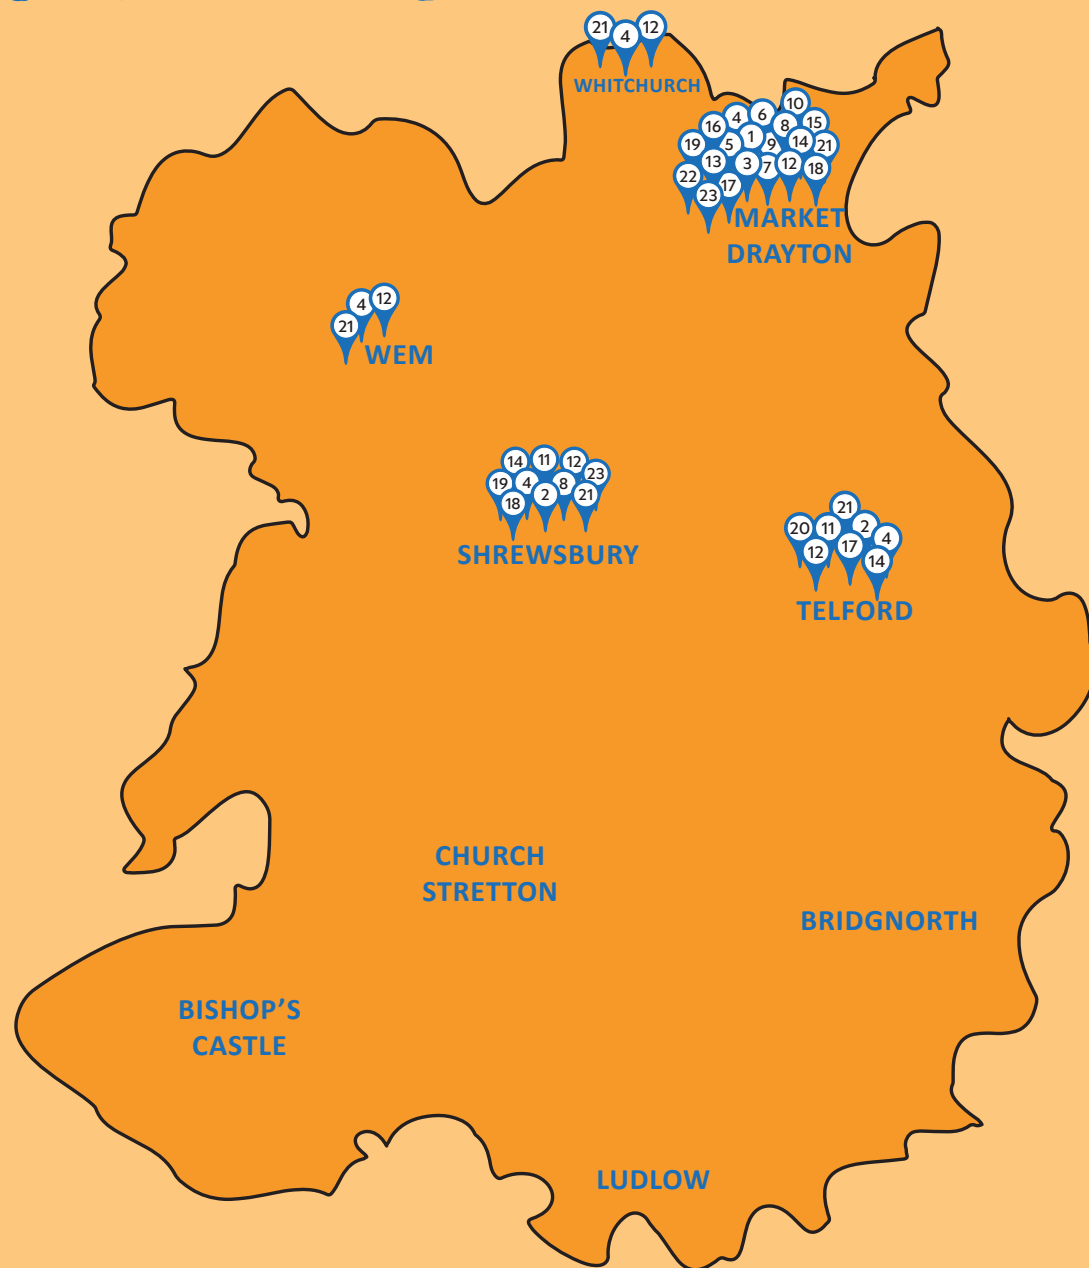

# DEVELOPMENT OF THE DITHERINGTON COMMUNITY HUB

In 2022, the Foundation made considerable strides towards creating a permanent Community Hub based in Shrewsbury. The 4 All Foundation and Shrewsbury Town Council announced a new partnership to bring a range of activities to Ditherington Community Centre and see the 4 All Foundation create a permanent hub in Shrewsbury. Over the past 12 months our staff members and volunteers have been revamping and redesigning the building, to provide the ideal environment for the Foundation to support local issues such as health and wellbeing, education and training, disability sports, and community cohesion.

# OUR 23/24 OBJECTIVES

Continuing with the 4 All Foundation's current funded programmes (youth clubs, HAF programmes, eco workshops, SEND workshops through sport and community safe hubs) aiming to support over 600 people in areas including Market Drayton, Shrewsbury, Telford, Wem and Whitchurch.

**Securing funding for programmes that are currently operating, but require additional financial assistance, aiming to support an additional 300 people in Wem, Prees and Shifnal.**

Developing health and wellbeing services, with a focus on mental health. We will do this through the development of our existing programmes and by responding to opportunities where capacity and funding allows.

**Growing the arts provision through our project work, investing in opportunities such as a community choir, traditional arts provisions, multi-school drama performances and in music, where capacity and funding allows.**

We will continue our current geographical focus to include: Market Drayton, Telford and Wrekin, Whitchurch, Shawbury, Shrewsbury, Tilstock and Telford and Wrekin (specifically Oakengates, Woodside and Sutton Hill). Beyond this timeframe our focus for the immediate future will be on geographical areas where the MMAT operates.

**We will grow and develop volunteering opportunities, particularly for young people, by facilitating intergenerational volunteering. We will do this through our current programmes and through any new opportunities, where possible.**
